

JAL JEEVAN MISSION

Rural Water Security in Kamrup & Goalpara districts, Assam

ABOUT THE PROJECT

Under the Ministry of Jal Shakti's Jal Jeevan Mission, this program delivers Functional Household Tap Water Connections (FHTC) to every household in Kamrup and Goalpara districts, Assam — pairing physical infrastructure with community ownership for lasting impact. Implemented by Grameen Sahara under the PHE Department.

OUR APPROACH

Hard Component

Physical infrastructure: pipelines, tap connections and water supply systems.

Soft Component

Community mobilization, WUC formation, capacity building and O&M training.

116

villages covered

24,491

Households with Tap Water Access

464

community meeting conducted

141

Water User Committees Formed

9

Gaon Sabha meetings held
